Ah yeah, check this out, the Quiksta is here, yo Spin let me state this

With the hype and style the that I make this
Groove so hot that you would think that I bake this
This is a steak I'ma tiger-try and take this

I come off strong with the strength of a dozer
You have no game with your girl 'cus I chose her
I grabbed her hand, I took her backstage with me
We tore it off my friend, now she's yours again

I'm like the Big Bad Wolf on the microphone
So if your girl's Little Red you better take her home
And hide her, before I try to ease on up
To push up on the butt

'Cus a brother like the Quik is chillin' with a feelin'
For a fly female because I'm able an willin'
To tell her the things that make her hot like a cup of tea
After the show she'll be lookin' for me to tear it off

Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon

Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon

Getting busy on dope, could swear up and down then I sold it

Girls on the tip so I hold it
A masterpiece and a piece I'ma get
From the get go I'm gonna go to the mic sweat

And heaven knows, anythin' goes
With those that dispose no Gucci at our hoes
For the AMG and while your playin' me
I'ma flex the hip hop sex and then I'll be

Nice and smooth and mellow and hell of a fellow
[Incomprehensible]
You can't get with this, I'm a hip with this
Do that dance I'ma ring while you swing to this

And you thought I was only a pimp
How you figure though?
I'll make it good to your girl 'cus a niggaro
Is givin' you something with heart and not soul, yeah,
tear it off

Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon

Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon

I wouldn't stop for a million bucks
Money, Quik cuts, The Source with a house to 'ford
And I'll bet the set will be in E F F E C T
I'll be arranged to change so I can talk to you

On stage the world the girls the date but I ain't fazed
I play the role and I get praised
Freak and the funk and yo, watch a brother hustle right
On the road with rhythm and chorus, mic

'Cus what I'm sayin' there ain't no brother like me
To step into the AM 'cus the AM be the G
And girlies on the tip but they really on the D
And Quik is on the mix but if he ain't he on a freak

Take it off baby, 'cus today you're gettin' done
You never let me see you swim, but let me see you cum
So I can make it good to ya
You know, I wanna do ya word tear it off

Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon

Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon

Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
Tear it off, tear it off, c'mon
