Get on a trip with me tonight,
Follow me to the other side,
Dancing together hand in hand,
Taking a trip to wonderland
(Dj Rankin in the mix M*****f*****)
Enjoy a trip to wonderland

(Here, here we go again) Repeat...

Get on a trip with me tonight,
Follow me to the other side,
Dancing together hand in hand,
Taking a trip to wonderland

There is a place for you and me
Like in your wildest fantasy
Come with me and take my hand
Enjoy a trip to wonderland
