O-p Open your eyes,
O-p Open your eyes,
O-p Open your eyes,
O-p Open your eyes,

ChOrUS

Open your eyes see all the love in me,
I got enough forever,
Don't be afraid take all you need from me,
An we'll be strong together,

Open your eyes,
An we'll be strong together,
Open your eyes,
An we'll be strong together,

ChOrUs

Open your eyes n we'll be strong together,
Open your eyes n we'll be strong together,

ChOrUs

Open your eyes n we'll be strong together,
Open your eyes n we'll be strong together,

O-p Open your eyes,
O-p Open your eyes,

ChOrUs

Open your eyes n we'll be strong together,
Open your eyes n we'll be strong together,
