Baby your all that I want, when you lie here in my arms
I'm finding it hard to believe we're in heaven
(heaven)

Oh, thinking about our younger years, there was only
you and me
we were young and wild and free
now nothing can take you away from me
we've been down that road before
but that's over now
we may be coming back for more

Chorus

Baby your all that I want, when you lie here in my arms
I'm finding it hard to believe, we're in heaven
our love is all that I need and I found it there in your
heart
it isn't too hard to see we're in heaven
(we're in heaven heaven)

Verse 2

Now nothing take change what you mean to me
there's a love that I can say
but just hold me now
'cause our love will light the way

Chorus

Now our dreams are coming true
through the good times and the bad
I'll be standing there by you
(you you you you...we're in heaven, heaven)

Our love is all that I need and I found it there in your
heart
it isn't too hard to see we're in heaven

Ohh woah ohh..Ohh woah ohh

We're in heaven, heaven
