I wanna get inside
I-I-I wanna get inside
I wanna get inside your head
Just fuck with your brain

Fuck with your brain
Fuck with your head
Fuck with your brain
Fuck with your head
Fuck with your brain
Fuck with your head
Fuck with your brain
Fuck with your head
Fuck with your brain

I wanna get inside
I wanna get inside
I wanna get inside
I wanna get inside your head
I wanna get inside
I wanna get inside
I wanna get inside
I wanna get inside your head
Just fuck with your brain

Fuck with your head
