It's been a year daddy, I really really miss you. Mommy says you're safe now, in a beautiful place called heaven.

Oh, I'm thinking about our younger years
We had your favorite dinner tonight
It was only you and me
I ate it all up...

We were young and wild and free
... Even though I don't like carrots
Now nothing can take you away from me
I learned how to swim this summer
We've been down that road before
I can even open my eyes

That's over now
When I'm under water
Keep me comin back for more
Can't you see me?

Baby you're all that I want, when you're lying here in my arms, I'm finding it hard to believe ... we're in Heaven
I started Kindergarten this year
Love is all that I need, and I found it there in your heart, it isn't too hard to see we're in heaven
I carry around a picture of us in my Blue's Clues Lunch Box

Oh, once in your life you find someone
You are the greatest Daddy
Who will turn your world around, pick you up when your feeling down. Now nothing can change what you mean to me

I can swing on the swing by myself ...
There's a lot that I can say, just hold me now
Even though I miss you pushing me
'cause our love will light the way
Can't you see me?

Baby your all that I want, when you're lying here in my arms, I'm finding it hard to believe, we're in Heaven
I miss how you used to tickle me
Love is all that I need
Tickle my belly
And I've found it there in your heart
My belly hurts

It isn't too hard to see we're in Heaven
I try not to cry
I've been waiting for so long,
Mommy says it's okay
For something to arrive, for love to come along
I know you don't like it when I cry
Now our dreams are coming true, through the good
times and the bad
Never wanted me to be sad
I'll be standing there by you
I try daddy but it hurts
Baby you're all that I want
Is it true you're not coming home
When you're lying here in my arms
Maybe some day
I'm finding it hard to believe, we're in Heaven
I can visit you in Heaven okay?
Love is all that I need, and I found it there in your heart.
It isn't too hard to see, we're in Heaven
It's time for me to go to bed now
Oooo, ohh ohh
I sleep with the light on. Just in case you come home,
and kiss me good-night.
Ooo oh oh
I love you so much.
We're in heaven.
I miss you Daddy
