Baby you're all that I want
When you're lying here in my arms (my arms)
I'm finding it hard to believe (believe)
We're in heaven

We're in heaven

Oh thinking about our younger years
There was only you and me
We were young and wild and free

Now nothing can take you away from me
We've been through that road before
That's over now (over now)
You've keep me coming back for more

Baby you're all that I want
When you're lying here in my arms
I'm finding it hard to believe (believe)
We're in heaven
And loving is all that I need
And I found it there in you're heart
It isn't to hard to see (to see)
We're in heaven

No nothing can change what you mean to me
Oh, there's a LOT that I can say
But just hold me now (hold me now)
Caus our love will light the way

Baby you're all that I want
When you're lying here in my arms
I'm finding it hard to believe
We're in heaven
And loving is all that I need
And I found it there in you're heart
It isn't to hard to see (to see)
We're in heaven (heaven)

How our dreams are coming true
Through the good times and the bad

I'll be standing there by you

We're in heaven

And Loving is all that I need
And I found it there in you're heart
It isn't too hard to see (to see)
We're in heaven

Oh ooh oh

Oh ooh oh

We're in heaven, heaven, heaven.
