I didn't mean it
And yet I cheated on you my love
You my love
My heart is beating
Are you leaving me alone
On my own

And then the tears hit my eyes
I wish you were by my side
I'm waiting for you
Waiting for you
Forgive me just one of my lies
Release me from one alibi
I gotta have you
Gotta have you

On and on your voice is calling
On and on inside my mind
Don't you know I can't let go
Never never 'cause my love goes on and on
Your voice is calling
On and on inside my mind
Don't you know I can't let go
Never never 'cause my love goes on

I didn't mean it
Yet I cheated on you my love
You my love

And then the tears hit my eyes
I wish you were by my side
I'm waiting for you
Waiting for you
Forgive me just one of my lies
Release me from one alibi
I gotta have you
Gotta have you

On and on your voice is calling
On and on inside my mind
Don't you know I can't let go

Never never 'cause my love goes on and on
Your voice is calling
On and on inside my mind
Don't you know I can't let go
Never never 'cause my love goes on
