Why? Why?

How many times do I have to try to tell you  
That I'm sorry for the things I've done?

But when I start to try to tell you  
That's when you have to tell me  
Hey... this kind of trouble's only just begun

I tell myself too many times  
Why don't you ever learn to keep your big mouth shut

That's why it hurts so bad to hear the words  
That keep on falling from your mouth  
Falling from your mouth, Falling from your mouth

Tell me... Why? Why?

I may be mad I may be blind  
I may be viciously unkind  
But I can still read what you're thinking

And I've heard is said too many times  
That you'd be better off  
Besides... Why can't you see this boat is sinking ?

Let's go down to the water's edge  
And we can cast away those doubts

Some things are better left unsaid  
But they still turn me inside out  
Turning inside out turning inside out  
Tell me... Why? Why? Tell me...  
Why? You don't know? Why? You don't know?

This is the book I never read  
These are the words I never said  
This is the path I'll never tread  
These are the dreams I'll dream instead  
And these are the years that we have spent  
And this is what they represent  
And this is how I feel

Do you know how I feel ?  
'cause i don't think you know how I feel  
I don't think you know what I feel  
Why You don't know  
Why You don't know what I feel  
Why You don't know  
Why don't know what I feel
