When I'm looking for emotion  
I can see it in your eyes  
Now I'm living in the sunshine  
Cause you're here by my side

and sometimes...  
Memories run through my mind  
I don't ever want you to cry  
Cause I'll never tell you goodbye

and sometimes...  
Memories run through my mind  
I don't ever want you to cry  
Cause I'll never tell you goodbye

When I'm looking for emotion  
I can see it in your eyes  
Now I'm living in the sunshine  
Cause you're here by my side  
I've been waiting for a long time

and Then you came to my life  
Now we're standing in the moonlight baby  
It reflects in your eyes

and sometimes  
Memories run through my mind  
I don't ever want you to cry  
Cause I'll never tell you goodbye

But tonight... I wanna feel when you hold me baby, ohh  
my lady  
It's my time... I wanna show you my feelings baby, lady  
And tonight... I wanna hear when you call me baby, oh  
lady  
It's my time... All that I give is my love forever,  
lady, lady, lady...
