like a movie now you're livin your life
but you know the way how you can rewind
why don't you open your eyes
and don't waste your time

I believe in you
I'll show you the way
and you'll never never ever do all the same
mistakes anymore

hey take my hands
I know the place to go

Chorus :

[always play]
where you play
[it's your life]
with your life
[let it go]
c'mon let your body move
[always play]
love yourself
[it's your life]
with a smile

[let it go]
ohoo, you'll never be alone
[always play]
it's your life
[it's your life]
always play
[let it go]
like us
like a silly game
let it go
always dance
never stop your body

and everything you do during the night
and everything you do during the day
remember to always save some time for your life

everyday is such a beautiful day
so you'll never never ever do all the same
mistakes anymore
in your mind you know the place to go

chorus
