"Celebrity trash"

All I want is a beautiful room
In better sea heights with a riverside view
Private parking, plenty of space
So me and myself can escape from the race

An analyst, a publicist, a personal guru

Take me out I'm hanging in,
Your dirty looks stick on my skin
Everything I wanna be
Take me out celebrity trash

Maker me plastic, shiny an new
What you wanna see, I'll give it to you
Little girls, lipstick and heels
They know all the words, they know how it feels

Everybody needs a little piece of distraction

Take me out I'm hanging in,
Your dirty looks stick on my skin
Everything I wanna be
Take me out celebrity trash (2x)
