Every second of the day you're dying for some passion
Want has turned into a need, then turned into
obsession
Even though you try so hard your life ain't what you
dream of
Running, chasing, wanting more but you turn away
from real love
And there's always someone there to pull you down
And you never see the truth that wears you out

Why you're so hard on yourself
You know it's bringing me down
You're so hard on yourself
Why you're so hard on yourself
You know it's bringing me down
You always get in trouble down, you always get in
trouble

Everytime the mirror turns to you you're scared and
frightened
You don't want to face the facts you want to be
enlightened
Trying to get through to you I don't get no connection
Running chasing wanting more avoiding all protection
And you never see the truth that wears you out

Why you're so hard on yourself
You know it's bringing me down
You're so hard on yourself
Why you're so hard on yourself
You know it's bringing me down
You always get in trouble, down, you always get in
trouble (repeat)Birgit Lyrics Index
