Saw you in a restaurant, table for two
You were sitting all alone, waiting for who
So glad to see you dinner-date never arrived
Cause you're about the cutest thing I'd ever seen in my
life

And I was thinking
All I want is to get a little closer
If you need me I'm your hardrocking diva
If you need heat, give you heartrocking fever
Hardrocking diva gives heartrocking fever
If you need me I'm your hardrocking diva

Fever, you give fever, fever

Baby don't be restless we can go for a ride
I am on the guestlist we can party all night
Don't wanna get involved, you know like husband and
wife
Just try another flavour girl for once in your life

If you need me I'm your hardrocking diva
If you need heat, give you heartrocking fever
Hardrocking diva gives heartrocking fever
If you need me I'm your hardrocking diva

Is this seat taken, is it free
Can I offer you a smile and my company
Want dessert, shall I take you home
Read you sticky tales or a sexy poem
We can have wine or herbal tea
You set the rules if you play with me
I can be coy if you want me to
Or a shiny black panther coming at you

If you need me I'm your hardrocking diva
If you need heat, give you heartrocking fever
Hardrocking diva gives heartrocking fever
If you need me I'm your hardrocking diva

Hardrocking Diva (Chinese version)

Duomo yuwang zuodao nide shenbian

If you need me I'm your hardrocking diva
If you need heat, give you heartrocking fever
Hardrocking diva gives heartrocking fever
If you need me I'm your hardrocking diva

Wo bu xiang zhao ge duixiang, ye bu yao nide ai

If you need me I'm your hardrocking diva
If you need heat, give you heartrocking fever
Hardrocking diva gives heartrocking fever
If you need me I'm your hardrocking diva
