Lyrics: ric ocasek

I don't mind you coming here, wasting all my time  
Cause when you're standing oh so near  
I kinda lose my mind  
It's not the perfume that you wear  
It's not the way you wear your hair  
I don't mind you coming here, wasting all my time

I guess you're just what I needed  
I needed someone to feed  
I guess you're what I needed  
I needed someone to bleed

I don't mind you hanging out, talking in your sleep  
It doesn't matter where you've been  
As long as it was deep  
You always knew to wear it well  
You look so fancy I can tell  
I don't mind you hanging out, talking in your sleep

I guess you're just what I needed  
I needed someone to feed  
I guess you're what I needed  
I needed someone to bleed

Yeah, yeah, yeah, so bleed me

I don't mind you coming here, wasting all my time  
Cause when you're standing oh so near  
I kinda lose my mind  
It's not the perfume that you wear  
It's not the way you wear your hair  
I don't mind you coming here, wasting all my time

I guess you're just what I needed  
I needed someone to feed  
I guess you're what I needed  
I needed someone to bleed

Yeah, you're just what I needed  
Oh you're just what I needed, yeah, yeah

You're just what I needed
