How do I know, what I'm feeling?
Can't tell you so, are you really,
Up for some hanging around,
Cause trouble is lying ahead.

And everyone tells me, I'm running in circles
And everyone tells me, that I should hang on and...

(refrain)

Try not to forget, all that I've found
Your loving to me, is just like a sound.
You don't hear till it stops,
An old porcelain vase that you hate till it drops
On the ground.
But baby I want you to know, I feel more than I show.

How can I see, that you're worth it?
It must be me, I'll start searching.
For all the things I used to like,
How you could make me smile.

And everyone tells me, that I should hang on and...

(refrain)

Try not to forget, all that I've found
Your loving to me, is just like a sound.
You don't hear till it stops,
An old porcelain vase that you hate till it drops
On the ground.
But baby I want you to know, I feel more than I show.

So please don't let go,
It's so crazy why,
Everytime I try,
Not to say goodbye, I cry.

And everyone tells me, that I should hang on and...

(refrain)

Try not to forget, all that I've found
Your loving to me, is just like a sound.

You don't hear till it stops,
An old porcelain vase that you hate till it drops
On the ground.
But baby I want you to know, I feel more than I
show. Birgit Lyrics Index
