There's a place that I want you to take me
All night and then I want you to wake me
Like, oohooo, baby, oohooo
Got a rush and my blood is pumping
A little closer feel my heartbeat jumping for you, baby
oohoo

Baby sweet baby just gimme some more
A bass and a kick just four to the floor

Red hot lover keep talking to me (4x)

There's a fever it's a burning inside me
I want your loving and I want you to fight me
Like oohooo, baby oohooo
Loverman can you hear me calling
I'm falling down and I know that I'm falling
For you, baby oohoo

Baby sweet baby I'm ready to score
A bass and a kick just four to the floor

Red hot lover keep talking to me (4x)
Ohohoh, keep talking to me
Keep talking
Ohohoh, keep talking to me

Red hot lover keep talking to me (4x) [Birgit Lyrics Index](#)
