You think I'm yours, think I'm modest,  
decent, true and honest  
Gotta sit up straight, be on time never late,  
I'm not that perfect darling  
I am my own, I stand alone, told you I won't be tamed  
You had a dream but I can't be your goddess

Tell me are you blind  
Gotta clear your mind  
And keep on scratching n scraping until you find  
Tell me are you blind  
Better clear your mind  
Just leave your fairytale vision of me behind

Take a better look at me  
Do you really think I'm the one you see?  
Take a better look at me  
Am I the one you want to see?

So I'm a girl, kinda witty, lovely, nice and pretty  
You wanna cash, want me to make trash,  
want me to be a puppet  
Won't sing your songs I don't belong inside  
your plastic world  
I made you drool, you're such a fool honey

Tell me are you blind  
Gotta clear your mind  
And keep on scratching n scraping untill you find  
Tell me are you blind  
Better clear your mind  
Just leave your fairytale vision of me behind

Take a better look at me  
Do you really think I'm the one you see?  
Take a better look at me  
Am I the one you want to see? [Birgit Lyrics Index](#)
