when the world is darker than i can unnderstand
when nothing turns out the way i've planed
when the sky turns grey and theres no wind in sight
when i cant sleep through the lonely nights

((chorus))

i turn to you ,
like a flower leading towards the sun,
i turn to you ,
cuz your the only one
you turn me around when i'm upside down
i turn to you.....

when my insides are wrecked with anxiety
you have the touch that will quiet me
you lift my spirits you melt the ice
when i need inspiration and i need advice

((chrous))

yoouu
yoouu

((chorus 2x))
