Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same

Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me

Life, life is just a game
We all end up the same
Lets be free
And come along with me
