Can you tell me where you are?  
(Can you tell me where you are)  
Searching you, but I can?t find you no where.

When I look up to the sky.  
(When I look up to the sky)  
To the sky, to the sky, to the sky.

Prince of love.  
Prince of love.

Can you tell me where you are?  
(Can you tell me where you are)  
Searching you, but I can?t find you no where.

When I look up to the sky.  
(When I look up to the sky)  
The moon is telling me,  
One day you will be mine.

So just send me  
A heavenly sign of love.  
(Heavenly sign of love)  
No, don?t worry  
I?ll recieve it from above  
(I?ll recieve it from above)

You just send me.  
Your heavenly signs of love.  
(Heavenly signs of love)  
Wait all over  
Til you be my prince of love.

Prince of love.  
Prince of love.  
Prince of love.  
Prince of love.  
Prince of  
Prince of  
Prince of  
Prince of

Prince of  
Prince of love.

Prince of love.  
Prince of love.  
Prince of love.

Can you tell me where you are?
