I wish this heart of mine could be
that unbreakable like a monument for love
Build of stones you could not see
I keep on telling these sweet lies
So unbelievable
Guess I make it through this time
Hoping you will guide my way

I wish this heart of mine could be

that unbreakable like a monument for love
Build of stones you could not see
I keep on telling these sweet lies
So unbelievable
Guess I make it through this time
Hoping you will guide my way

Hoping you will guide my way
