U know u my lady
It's donnis baby
Ima stay home
When I'm finished with bizness
I'm tired of games
Wanna give u my name
I know

Things our strange
And we aint tha same
But u all I know of love
Cuz I'm in out of clubs
In and out of whips
In and out of chics
Gottem lickin they lips
Why they swayin they hips
But hey,. baby girl
It's tha way I do
And it's tha way they react
When tha watch turn blue
You reacted tha same
When I asked ya name
Now u wanna act funny
Like ye aint see tha money
Like u aint get asthma
Soon as u seen tha plasma
Tha car much faster
Donnis is a bastard
But so fly
Soo cool so smooth
I know ya thinking that I'm
Shady but I still choose u
