You... You... You... You... You... You... You... You...
You... You... You... You... You... You... You... You...
?
I gotta rock, ah... You... I gotta rock, ah... You...
I gotta rock, ah... You...
Rock, rock, rock, I gotta rock, rock, rock...
Rock, rock, rock, I gotta rock, rock, rock...
Rock, rock, rock, I gotta rock, rock, rock...
(Rock, rock, rock, rock...) You... You... You...
I gotta rock, ah, I gotta rock, I gotta...
Rock, rock, rock, I gotta rock, rock, rock...
Rock, rock, rock, I gotta rock, rock, rock...
Rock, rock, rock, I gotta rock, rock, rock...
I gotta rock, rock, rock... I gotta rock, rock, rock...
I gotta rock, rock, rock...

Check you for the line, check you for the line, check you
for the line
Check you for the line, check you for the line, check you
for the line
Check you for the line, check you for the line, check you
for the line
Check you for the line, check you for the line, check you
for the line
Check you for the line, check you for the line, check you
for the line
Check you for the line, check you for the line, check you
for the line
Check you for the line, check you for the line, check you
for the line
Check you for the line, check you for the line, check you
for the line
Check you for the line, check you for the line, check you
for the line
Moment I die...
