Break down baby

Come on and get with it

1, 2, 3, 4, hit it

What is this?

This is the number song

But before I start, let's have the countdown

1, 2, 3, 4

Listen to this, just listen to this

Just listen to this, just listen to this

Just listen to this, just listen to this

Just listen to this, just listen to this

Just listen to this, just listen to this

Just listen to this, just listen to this

We want y'all to understand

1, 2, 3 and

8, 7, 6, 5, 4, 3, 2

Come on and get with it

1, 2, 3, 4, have to go, hit it

Who got the number?

Who, who got the number?

Who got the number?

Who, who got the number?

Yeah, yeah, yeah

Alright

Yeah, yeah, yeah

[Incomprehensible] I got the number

Won't you please let me rock your mind?

The party's already started

[Incomprehensible]

1, 2, 3, 4, get with it

1, 2, 3, 4, 1, get with it

Get with it, get, get with it

10, 9, everybody c'mon
8, c'mon louder
7, 6
