so damn sure
you want a low kind
24/7 on my mind
all i ever wanted is to be with you
making me feel
so brand new

i thought i couldnt love no more
one to many times before
now everytime i look out to the sky
i've got you on my mind

i thought i couldnt love no more
one to many times before
now everytime i look out to the sky
i've got you
on my mind

colors of the rainbow
colors of the rainbow
colors of the rainbow
colors of the rainbow

colors of the rainbow
shine so bright
everytime i look into your eyes
its the colors of the rainbow
that feed my soul
over and over
just like you do

the colors of the rainbow
shine so bright
everytime i look into your eyes
its the colors of the rainbow
that feed my soul
over and over
just like you do
just like you do

over and over
just like you do

colors of the rainbow
