Embrace me
Surround me

Embrace me
As the rush comes

Traveling somewhere
Could be anywhere
Theres a coldness
In the air
But i don't care

We drift deeper and life
Goes on

We drift deeper into the sound

Embrace me
Surround me
As the rush comes

Traveling somewhere
Could be anywhere
Theres a coldness in the
Air but i don't care

We DRIFT DEEPER into the
sound and life goes on

We DRIFT DEEPER INTO THE SOUND
feeling strong

So bring it on
So bring it on!!!!

We drift deeper into the sound
and life goes on!!!!

We drift deeper into the sound
feeling strong

So bring it on

So bring it on!!!

We drift deep x17

We drift deeper

And life goes on

We drift deeper

We drift deeper

We drift deeper into the sound
and life goes on!!!!

We drift deeper into the sound
feeling strong

So bring it on

So bring it on!!!

We drift deeper into the sound
and life goes on

We drift deeper into the sound
feeling strong

So bring it on

So bring it on
