[Verse 1:]

Blow by blow
I didn't see it coming
Blow by blow
Sucker Punched

Rushes in
Here to stay
Rushes in
You are here to stay

[Pre-Chorus :]

What rushes into my heart and my skull
I can't control
Think about it
Feel it in my bones
What rushes into my heart and my skull
I can't control

[Chorus :]

I feel you in my bones
You're knocking at my windows
You're slow to letting me go
And I know this feeling also
This feeling in my bones

[Verse 2:]

Left hook
I didn't see it coming
Left hook
You've got dead aim

Rushes out
Run away
Rushes out
You always run away

[Pre-Chorus :]

What rushes into my heart and my skull
I can't control
Think about it
Feel it in my bones

What rushes into my heart and my skull
I can't control

[Chorus :]

I feel you in my bones
You're knocking at my windows
You're slow to letting me go
And I know this feeling also

This feeling in my bones

I feel you in my bones
You're knockin at my windows
You're slow to letting me go
And I know this feeling also
This feeling in my bones

I feel it in my bones
And then my skull feels (pressure)
I feel it in my bones (pressure)
I feel it in my skull
I feel you in my bones
You're knocking at my windows
You're slow to letting me go
And I know this feeling also
This feeling in my bones

[Bridge :]

I take a breath
Take a breath
With me blow by blow
Take a break
Take a break
From you you are here to stay
I take my heart out of my chest
I just don't need it anymore
Take my head out of the game
I just don't need it anymore

I take a breath
Take a breath
With me blow by blow
Take a break
Take a break
From you you are here to stay
I take my heart out of my chest
I just don't need it anymore
Take my head out of the game
I just don't need it anymore

[Chorus :]

I feel you in my bones
You're knocking at my windows
You're slow to letting me go
And I know this feeling also
This feeling in my bones
