[Verse 1:]

I was waiting for you to notice me
I've been hanging around for a minute
Baby don't give me you it won't hurt me
I don't even know if you deserve me

But with that moon in the sky
Who wants to be alone
And when the stars shine so bright
Who wants to be alone

Don't take me home
Til the sun comes up till the sun comes up
Don't take me home
Til the sun comes up till the sun comes up
Don't take me home
Til the sun comes up till the sun comes up
Don't take me home
Til the sun comes up till the sun comes up

Right next to me
You wanna be
Till the sun comes up

[Verse 2:]

I am going nowhere in a hurry
Baby come take away all my worries

But with that moon in the sky
Who wants to be alone
And when the stars shine so bright
Who wants to be alone

Don't take me home
Til the sun comes up till the sun comes up
Don't take me home

Til the sun comes up till the sun comes up
Don't take me home
Til the sun comes up till the sun comes up
Don't take me home
Til the sun comes up till the sun comes up

Right next to me
You wanna be
Til the sun comes up

I'm out of my head
I'm out of my head
I'm out of my head
I'm out of my head
I'm out of my head...

But with that moon in the sky
Who wants to be alone
And when the stars shine so bright
Who wants to be alone

Don't take me home
Til the sun comes up till the sun comes up
Don't take me home
Til the sun comes up till the sun comes up
Don't take me home
Til the sun comes up till the sun comes up
Don't take me home
Til the sun comes up till the sun comes up

Right next to me
You wanna be
Til the sun comes up
