I don't need a ring to show me  
What your love's worth  
Don't need fancy things to show me  
What your love's worth

You're my diamond win  
I'm with you, love, shine  
I'll be with you every day  
So every day I'll shine so bright

I'm a rich girl  
When I am with you  
I know  
You are my whole world  
And I will never let you go  
I can't explain  
How you light me up inside  
I'm really hating  
That's not something you can buy

You're my diamond win  
I'm with you, love, shine  
I'll be with you every day  
So every day I'll shine so bright

You're my diamond win  
I'm with you, love, shine  
I'm with you every day  
So every day I'll shine so bright

All my life  
I've been looking for love  
I thought I'd never find it

All my life  
I've been looking for you  
I just didn't know it

You're my diamond win  
I'm with you, love, shine  
I'll be with you every day  
So every day I'll shine so bright

Yeah you're my diamond  
My diamond  
My diamond

You're my diamond  
You're my diamond

You're my diamond  
You're my diamond
