The sound, the noise that you feel  
The sound in your ear is the noise that you fear  
And the noise that you fear is the sound getting near  
The sound in your ear is the noise that you fear  
And the noise that you fear is the sound getting near

It's a sign that you hear  
You can't get away  
Hold your breath and hope to death  
Your heart it keeps beat beat, and

The sound, the noise that you feel  
The sound (Hold your breath and hope to death)  
The noise that you feel (Your heart it keeps beat beat)  
And the noise that you fear is the sound getting near

It's a sign that you hear

Beat and

The sound in your ear is the noise that you fear  
And the noise that you fear is the sound getting near  
The sound in your ear is the noise that you fear  
And the noise that you fear is the sound getting near

It's a sign that you hear  
Ha! Ha! Ha ha!  
It's a sign that you hear
