(feat. Dem Franchise Boyz)

[DFB:]

I keep that drop for the low-low, weigh it ship it out the do'

Stuff 'em into [?] stashed around the 24

Hit the road, hit the flows, bend that in a minivan

TV cameras in the dash, money wrapped in rubber bands

Flipped a couple grand, straight dropped it on a watch

Diamond bezel, 30 karats, just a kid from the block

Oh my God, there he go, calm me down I need a fan

Big Oomp rappers see my chain, and DJ Mike say he ain't playin

Straight drop lookin breezy, got you hoes lookin cheesy

DJ Oomp, [?], straight drop I'm off the heezy

Eyes shifty, try to creep me, got that heat, right beneath me

Straight drop, Oomp Camp, black tint, you can't see me

[Outro:]

Whassup Big Allen, we got your back

Straight from the A-Town, Big Oomp Records

DJ Jelly, DJ Montae, straight drop

Yeahhhh, we just drop nigga

Yeahhhh, straight drop nigga

Straight drop nigga - yeah, straight drop nigga - yeah

Straight drop nigga - what? Straight drop nigga - what?

["Oomp Camp nuts" scratched]
