Now walk it out
Now walk it out
Now walk it out
Now walk it out
Now walk it out
Now walk it out
Now walk it out
Now walk it out

West Side walk it out
South Side walk it out
East Side walk it out
North Side walk it out

West Side walk it out
South Side walk it out
East Side walk it out
North Side walk it out

Now hit the dance floor
Now bend your back low
She do it with no hands
Now stop pop and roll
I'm smokin' Bubba Hoe
Now y'all in trouble hoe
I like the way she move
An undercover hoe
Now everybody leanin'
I make the crowd rock
Now gone and walk it out
I see they on my job
She like that bubble gun
Is they the Double Ment Twins
Two hoes choosing me
So I know that I'm a win
It's on once again
Patron one again
I threw my head back
Then I froze like the wind

West Side walk it out
South Side walk it out

East Side walk it out
North Side walk it out

West Side walk it out
South Side walk it out
East Side walk it out
North Side walk it out

West Side walk it out
South Side walk it out
East Side walk it out
North Side walk it out

They walk it on the East
They walk it on the West
South Side just got it
And North Side snap your necks
In the club
On the goose
Big stacks
No flex
These suckas wanna try me
Tell them two long decks
He walking with his ones
Steady smoking on that fruit
She walking with her friends
All in a slow group
Oh shit there they go
They walking on the floor
Grey goose
Double shots
It will let your body go
My Niggas on my side
Hatas hating think it's funny
I'm walking on these Niggas
Now I'm getting to the money
Froze on them hoes
I'm not talking bout dancing
Fool count on the charm
Diamond steady steady hacin'

West Side walk it out
South Side walk it out
East Side walk it out
North Side walk it out

West Side walk it out
South Side walk it out
East Side walk it out
North Side walk it out

Ok now do it how you do it
Gone and walk it out
I said do it how you do it
Gone and walk it out
Ok do it how you do it
Gone and walk it out
I say do it how you do it
Gone and walk it out
Walk
Walk
Walk
Now walk it out
Walk
Walk
Walk
Now walk it out
Walk
Walk
Walk
Now walk it out
I said do it how you do it
Gone and walk it out
