Feat. Usher

[Verse 1]

It's gonna burn for me to say this

But it's comin from my heart

It's been a long time comin

But we done been fell apart

I really wanna work this out

But I don't think you're gonna change-e

I do but you don't

Think it's best we go our separate ways

Tell me why I should stay in this relationship

When I'm hurtin' baby, I ain't happy baby

'Cause there's so many other things I gotta deal with

I think that you should let it burn

[Chorus]

When the feeling ain't the same and your body don't
want to

But you know, gotta let it go

'Cause the party ain't jumpin' like it used to

Even though this might bruise you

Let it burn

Let it burn

Gotta let it burn

Deep down you know it's best for yourself but you

Hate the thought of her being with someone else

But you know that it's over

You know that it's through

Let it burn

Let it burn

Gotta Let it burn

[Verse 2]

Sendin' pages I ain't supposed to

Got somebody here but I want you

Cause the feelin ain't the same

Find myself

Callin'her your name

Ladies tell me do you understand?

And all my fellas do you feel my pain?

It's the way I feel

I think I made a mistake

Now it's too late

Now she ain't comin back

What I gotta do now now

To get my shorty back

Ooo ooo ooo ooooh

Man I don't know what I'm gonna do

Without my boo-ooh

You've been gone for too long

It's been fifty eleven days, umpteen hours

I'm'a be burnin' till you return

[Chorus]

When the feeling ain't the same and your body don't
want to but you know

Gotta let it go 'cause the party ain't jumpin' like it used
to

Even though this might bruise you

Let it burn (let it burn, you gon learn, you go burn)

Let it burn (gotta let it burn)

Gotta let it burn

Deep down you know it's best for yourself but you

Hate the thought of her being with someone else

But you know that it's over

You know that it's through

Let it burn

Let it burn

Gotta let it burn

[Bridge]

I'm twisted 'cause one side of me is tellin' me that I
need to move on

On the other side I wanna break down and cry (ooooh)

I'm twisted 'cause one side of me is tellin' me that I
need to move on

On the other side I wanna break down and cry (cry)

[Breakdown]

Ooh ooh ooh ooh ooh ooh

Ooh ooh oooh (can ya feel me burnin'?)

Ooh ooh ooh oooh ooh oooh

Too many days, so many hours

I'm still burnin' till you return

[Chorus]

When the feeling ain't the same and your body don't
want to,

But you know gotta let it go 'cause the party ain't
jumpin' like it used to

Even though this might bruise you

Let it burn

Let it burn

Gotta let it burn

Deep down you know it's best for yourself but you

Hate the thought of her being with someone else

But you know that it's over

We know that it's through

Let it burn

Let it burn

Gotta let it burn
