The Story Fades Away
Navigating Between Memories
Just Hope...

Trying To Capture My Life
Happiness, Feeling, Breathing
The Rest Of My Life...

Be Part Of My Life
Capturing The Destination
Feel The Shine In Your Eyes...

Fades The Old Moments
Those Who Surround You
Touch The Sky with Your Hands
Regulates The Pain, Feel The Happiness

Looking Touch Your Soul
Surrounded By Love And A Time Of Hate
I Can Not Look With The Open Eyes
Tell Me As I Understand?
