Don't run away cause I can't stand it
Don't run away cause I can't stand it
Don't you pretend that I'm strong
Don't try to hurt me cause I can't stand it
Don't try to hurt me cause I can't stand it
Don't make me feel that I'm weak
Hey, you know
The worst thing you can do
Is to get me bored
Stay here tonight or I won't sleep then
Stay here tonight or I won't sleep then
Be cool to me or I'll cry
Don't dare to touch me or I won't sleep then

Don't dare to touch me or I won't sleep then
Treat me no good or I'll die
Hey, you know
The worst thing you can do
Is to ignore
Babe, I have given all my soul to you
Tell me, is the happiness I felt untrue?
Babe, I have given all my soul to you
How can I tell my heart
Like this "it's through"?
I don't wanna throw upon you
All my wrath
So, please, be fair
Otherwise, whatever you do
Will cause my death
