I was out with the guys last Saturday night
I lost track of time
I just about forgot to call and say I'd be late
You said just be safe
I won't worry
Are you having a good time
Don't hurry just let me know so
I won't lie awake
I might get carried away but don't think I don't care
Cause baby you're the only reason
That my life has any meaning
I dunno, I dunno, I dunno what I'd do without your love
When I think about you leaving
It's a hallow saken feeling
And I dunno, I dunno, I dunno what I'd do without your
love
I dunno, I dunno, I dunno what I'd do without your love
Hurting you is never intended
Don't want to ever take you for granted but
Sometimes I'm just a thoughtless man
I might trip and stumble

Take it from me
I ain't perfect but I wish I could be
Everytime you smile and take my hand
Cause baby you're the only reason
That my life has any meaning
I dunno, I dunno, I dunno what I'd do without your love
When I think about you leaving
It's a hallow saken feeling
And I dunno, I dunno, I dunno what I'd do without your
love
I dunno, I dunno what I'd do without your love
Oh without your love
Without your love
Cause baby you're the only reason
That my life has any meaning
I dunno, I dunno, I dunno what I'd do without your love
When I think about you leaving
It's a hallow saken feeling
And I dunno, I dunno, I dunno what I'd do without your

love

I dunno, I dunno what I'd do without your love

I dunno just what I'd do without your love
