Waooooo.....

Here come the Peons in black

Its the PIBS

Here come the PIBS

Here come the Peons in black

Peons in Black

They will make u you remember

Nah nah nah

The peons dress in black

Remember that just in case we face to face and make
contact

The title held by me, PIB, means what Peon think you
saw you did not see

So don't blame me, what was there is now gone, peonic
suit with da raybands on

Walking shadows, moving silent, guarding against
Peonicatrial violence

But you know we ant on no channel list, we strait, we
don't exist,

No names and no finger prints, saw something strange
watch your back,

'cause u never quite know where the PIBS are at. uh uh.

Here come the Peons in black

Peons in Black

Internet Defenders

Here come the Peons in black

Peons in Black

They will make u you remember

Uh-uh uh-uh

Now from the userlist from the chatroom night, on the
screen,

Bright light into sight tight, log zoom, room in doom,
But then like boom Peonic suits fill the room up with the
quickness

Talk with the witnesses, Peonizer, scrollizer, vivid
Lamers

Turn to banned forkers, ant no PIBS, can I please

Do what we say that's the way we kick it

Yea and me see I'm a noisy, cricket get wicked on yah

Were your first, last and only line of defense against
the worst scum of the internet

So don't fear us, cheer us, if you ever get near us don't
jeer us,
We're fearless, PIBS freezing up all the lag, (What's
that stand for)
The Peons in Black
Uh AH
The Peons in Black
The Peons in Black
Let me see yah just fork with me, just fork with me, Just
fork with me
Come-on let just see yah AW with me , just AW me, just
AW with me
Come-on take a shirt with me , just shirt with me, take a
shirt with me
Come-on and make your nick work, now alt-F4.
OHhhhhhhh ho

But trust me, we might be showing your section,
Believe me it's for your own protection, 'cause We see
things that you may not see
And we be places that you may not be, so go with your
life and forget that Weird Crap,
Show love to the Peonic suit, 'cause that's the peon in,
