Today is the first of our numbers
We're never asleep
Sometimes there's a voice when I close my eyes
Sometimes I can't hear you speak

Did you learn to take cover
Or are you running away?

And you see right through me
(This shouldn't last forever...)
You're so close
(Now it's time to say goodbye)

You wait for the sun in the morning
I'm waiting for rain
Sometimes you're too close when I close my eyes
For now you're quiet again

The story is over
You never wanted the same
Did you learn to take cover
Or are you running away?

And you see right through me
(This shouldn't last forever...)
You're so close
(Now it's time to say goodbye)
Talk to me
(This voice is the faintest I've heard in the longest time)

Now that it's tired
Do you pretend?
You know I do!
Do you want to see this to the end?
You know...
You know I do

And you see right through me
(This shouldn't last forever...)
You're so close
(Now it's time to say goodbye)
Talk to me

(This voice is the faintest I've heard in the longest time)
