They're getting ugly, they're a horror show  
And now we're laughing, 'cause they'll never know  
That they've got everything, we give them all of our  
own  
And they tell us they're sick and they're all alone

They make fools of us together but we always think of  
them  
All their laughing and their talking and their wasting of  
our time  
And it always hurts to see them now that everything is  
different  
We don't like to see their eyes 'cause they will never  
look the same

They shut the door, we fall far behind  
We try forgiveness, but they cross the line  
And now the moment has passed and we can't rewind  
We are dead long before we run out of time

They make fools of us together but we always think of  
them All their laughing and their talking and their  
wasting of our time And it always hurts to see them  
now that everything is different We don't like to see  
their eyes 'cause they will never look the same

They make fools of us together but we always think of  
them All their laughing and their talking and their  
wasting of our time And it always hurts to see them  
now that everything is different We don't like to see  
their eyes 'cause they will never look the same
