All these broken pieces  
Left unglued  
Should never find their way into the hands  
Of  
Someone like you

I'm in the dark  
I'm alone  
Around you  
I've never been here  
Nobody here  
To get me through  
I'm in the dark

Every minute shared is never mine  
Frozen in this fog  
And hiding every second in time

I'm in the dark  
I'm alone  
Around you  
I've never been here  
Nobody here  
To get me through  
I'm losing my faith  
In every way  
That points to you  
I'm in the dark

The more bleak the day  
The less I behave  
As if everything black can wash away  
Or can I just trade a dream for a way  
To peel back the shade behind the gray?

I'm in the dark  
I'm alone  
Around you  
I've never been here  
Nobody here  
To get me through  
I'm in the dark
