A Painting for every face  
No correction, just cover up  
She can't afford to come off  
Hard cause she's too cold to shiver  
Too cold to shiver  
Too cold to shiver in this cold  
She's too cold to shiver

All the hands along the wall  
Taking time to break her fall  
Minds divide the heart in two  
Empty as the shadows walking over you  
Over you  
She's walking over you  
Breaking the fall over you

(Always Wanting)  
(Watching) Minds divide the heart in two (For you)

(Always Watching)  
(Waiting) Shadow walking over you (For you)

Pictures for every place  
No affection, just shut her up  
She can't afford to make it  
Hard cause she's too cold to shiver  
Too cold to shiver  
Too cold to shiver in this cold  
She's too cold to shiver

All the eyes behind the wall  
Taking time to watch her crawl  
Broken hearts are never true  
Empty as the shadows walking over you  
Over you  
She's walking over you  
Watching her crawl over you

(Always Wanting)  
Broken hearts are never true (Waiting)  
(For you)

(Always Wanting)  
Shadows walking over you (Waiting)  
(For you)

(Always Wanting)  
Broken hearts are never true (Watching)  
(For you)

(Always Wanting)  
Shadows walking over you (Waiting)  
(For you)
