[Doug E. Fresh]

The summer's in action, to party's my passion

The women, the fashion, but this year's attraction

Is smashin, hardcore comin at you raw

Cause this you never saw, on any dancefloor

I had plenty viewers with some band in Aruba

15 thousand, it looked so astoundin

The bass was pounded, my voice surroundin

Not a video, actual live show

I seen hands in the air, on HBO

Cause it's Naughty By Nature, female emancipator

Nuff backshots, what's a movie without a plot

Starring, DMC and his man Doug E.

Yo how they lookin D? (They're lookin real sexy)

Now the stage is set, and it's hot like a sweathouse

Inside I wanna get out, got somethin to let out

Ladies in the front and the back, they wanna shoutout

[Chorus w/ new Doug E. ad libs]

C'mon, say what?

Uhh, keep it sexy y'all

Uh-huh, uh-huh

C'mon

[DMC]

Lovey dovey, the ladies are lovely

I hope this one here keeps 'em thinkin of me

I won't play the role like all the fake thugs be

When I "Walk This Way" they always wanna hug me

Walkin down the street, watchin ladies

They amaze me, even the ones with the babies

All the fools in the club, are gonna go crazy

Uh-huh, they love lookin at all the lovely ladies

La-di-da-di, we like to party

We love all the lovely ladies shakin their bodies

Her friend is a 10, but she's a hottie

She got a good attitude, and she never act snotty

Ladies Love Cool J, and we love the ladies

It's only right, to fit in my Mercedes

Lovey dovey, the ladies are lovely

Play this one here where the ladies in the club be

(BUK BUK BUK BUK!)

[Chorus w/ more new Doug E. ad libs]

Uhh, put your drinks up

Keep it sexy

Sing it!

[Interlude - singer]

La-di-da-di, we likes to party

Don't want Bacardi, just your body girl

And you know just what we like

It's your hips and thighs movin left to right

Hey, gettin down that's all I see

Got me fiendin like Jodeci

Your love's the best

Girl flex an', time to have sex

[Chorus w/ Doug E. beatboxing]

[Doug E. Fresh]

Uh-huh

All my independent women, put your hands up

And on the side, put your hands up

If you got a job, put your hands up

You look good, put your hands up

She looks sexy, put your hands up

You got a man, put your hands down

You don't gotta man, put your hands up

And keep it sexy, and keep it sexy  
Ah c'mon, shake that, shake that, shake that, shake  
that  
Shake that, shake that, all the ladies scream  
{AHHHHH}  
And sing it!

[Chorus w/ more Doug E. ad libs]  
Uhh, put your drinks up, I see you baby  
What's your name? Uh-huh  
That's right, what's your sign?  
Now what's your #? C'mon
