It's about time I reacted look at y'all did to this rap shit  
Knowin' n-ggas is wrong, come on with the cat shit,  
wack shit  
Get n-ggas, toe down, slap quick, blam, blam, blam  
Go down, that quick  
Acting like the truth is gone  
Heard em say, don't deal with the ruthless one  
This two piece leave your faggot ass toothless son  
I go hard, (dawg, don't do it)  
Too late it's done  
Hold up, I done show you why the dog is the illest  
Killers, you might not catch it, but you feel this

The realest n-gga to ever do it  
The realest n-gga to ever go through it  
And y'all gon bring me back to it  
Y'all gon make me lose my mind  
(?) Came from crime, I'ma change with time  
N-ggas don't know me.  
What d'ya mean I hold something
