[Regina Bell harmonizing while DMX speaks]

What good is it..  
for a man to, gain the world..  
yet lose his own soul, in the process?  
[Bell] God loves you, yes he does  
Said you're alright with him  
[DMX] I wonder..

Chorus: Regina Bell (repeat 2X)

I know you never seen him but don't fight with him  
You're gonna make it through the night to the light with  
him  
Uhh, you're alright with him  
I said you're alright with him

[DMX]  
I'm callin out to you Lord, because I need your help  
See once again I'm havin difficulty savin myself  
behavin myself, you told me what to do, and I do it  
But every now and then, gets a little harder to go  
through it  
Losin friends, day by day  
I'm in so much pain when I'm here Lord, please take me  
away  
I put you here to do a job, and your work ain't done  
To live is to suffer, but you're still my son  
And there will be a time when you shine as bright as the  
stars  
But there won't be a, his or hers, just ours  
Then you'll see what I've been tryin to show you, all  
these years  
Do the right thing; cause after the tears, come the  
cheers  
I will, my Lord, with my heart, and my soul  
That's gonna be how I roll, from now until I'm old  
Lead and I'll follow, you take away the sorrow  
I'ma sleep on what you said and holla back tomorrow

Chorus

[DMX]

I want you to know Lord, that for what you've given me

I'm thankful

Sincerely, from the bottom of my heart, I'm grateful

You gave us power in our words, so I think before I

speak

And that way when I speak, they know I'm here to teach

Can't tell em nothin wrong, cause I love em too much

I reach a lot of people, and Lord, I'm lovin the to
