from the cubans to build a fucking fortI'm caught up in

bank role and strollCatch bodies like a cold. And stay  
sickSo face it, make me chase it, I take your life and

Rule]E-Dub, get a nigga involved, let me spit a few  
barsOf murderous material, niggas venereal, diseases  
to meAnd its startin to burn when I piss on  
emceesNiggas want it with me, who I be'The one that

got you ready to run  
The one with rhyme or reason to  
bust my gun  
Whats the outcome, another nigga gettin  
smoked'  
Another nigga found slain with a tongue out  
his throat  
Son its no joke, I pump lead like bad dope  
And leave niggas nodding out with no hope  
I'ma spit various flows, and fuck various hoes  
Rule, E-Dub, and Short Dog  
it shows  
That the niggas with the money get the bitches  
bitches  
Rolled up on dubs, deep dishes dishes  
Niggas don't want it with me  
J-the A-the R-U-L-E [Tupac]  
Now everytime I see you cats is rollin in packs  
For the life of me I cannot see why you don't know how to act  
Love to clown when you deep, but when you on that solo  
creepout on the streets you don't hear a peep  
Nigga it's a god damn shame, somebody explain why they sent a  
Bad Boy to play a grown man's game  
Tear that ass out the frame  
How long will it last, nigga don't ask, just be first to blast  
Outlaw on the mash tryin to be the first to see some cash  
My shit's classic, like my nigga Nate Go get the tape, we keep the nation anticipatin until we break  
Money made me evil, court cases got me stressed  
Niggaz aimin at my head but I still wear my vest  
Chorus 2X[Eminem - impersonating Snoop]Awww naww, big Slim Dogg  
Eighty pound balls, dick six inch long  
Back up, in the, heezy BAY-BAY  
He's Sha-day!  
[Snoop]He's so cra-zay!  
[Eminem]Hahaha! Gimme the mic, let me recite, 'til Timothy Whitepickets outside the Interscope offices every night  
What if he's right? I'm just a criminal, makin a living off of the world's misery - what in the world gives me the right to say what I like, and walk around flippin the bird  
Livin the urban life, like a white kid from the 'burbs  
Dreamin at night of screamin at mom, schemin to leave  
Run away from home and grow to be as evil as me  
I just want you all to notice me and people to see that somewhere deep down, there's a decent human being in me  
I just can't be found, so the reason you've been seeing this me is cause this is me now, the recent dude who's being this mean  
So when you see me, dressin up like a nerd on TV  
Or heard the CD usin the fag word so freely  
it's just me being me, here want me to tone it down? {\*LOWER pitch\*} Suck my fuckin dick, you faggot  
You happy now? Look here  
[Eminem - impersonating Snoop]I start some trouble everywhere that I go (that I go)  
Ask the bouncers in the club cause they know (cause they know)  
I start some shit they throw me out the back do' (the back do')  
Come back and shoot the club up with a fo'-fo' (a fo'-fo')  
Chorus 2X[Xzibit]2001 and forever  
Slim Shady, Dr. Dre, Snoop Dogg, X to the Z, Nate Dogg  
C'mon, yeah!!
