Grrr, yeah
I mean we all men, we all men
We know how the shit go, love one, fuck another
I mean, it is what it is, it is what it is
I mean, we knew what it was
When we became a part of it
(Yeah)
Ain't no sense whinin' about it now
Feel me? It's like

There's something on your mind
(What?)
I can see right through you
I know your girl been treatin' you wrong
(Yeah)
But she ain't no good for you

Why do you hold it inside
(Uhh)
Boy you should let me know
I just want to make you right
Wanna be the one you could cry on

Baby, it's like I love my wife
But we goin' through things and I ain't goin' home
tonight
You got time for a nigga or is he still with you?
Wanna meet at the same spot or should I come and get
you?

Aight, I'll be there in 10, be in the front
I been gettin' what I need so I'ma give you what you
want
One-on-one, 'cause you know how to talk to Dog
You walk the dog and understand New York is hard,
baby

So you, you ain't gotta go home tonight
You can stay right here with me
Uhh, I ain't goin' nowhere
When you wake up I'm gon' be right there

Don't you worry 'bout a thing
I ain't worried about shit
You're here with me
Look, it's like I love my wife
But we goin' through things
And I ain't goin' home tonight, aight?

It's kinda strange, that when you call
(Mmm)
She's never home
Now you're there all alone
And, you deserve so much more baby
(What?)

I can treat you better than she can
(What?)
It doesn't make sense
To keep on loving and keep on trusting
When in return all you get is nothing

Damn, you got me fucked up and I'm feelin' it more
Never had a mistress distressed before
Oh, come on ma, like it ain't that deep
Like ain't no love there, like I don't hate that I gotta
creep
We go to sleep in each others arms
(Yeah)

And I feel like this is where I belong
If lovin' you is right then I ain't wrong
This is the same ol' song, wife and fam
Gotta be a father and husband but I'm still yo' man,
baby

So you, you ain't gotta go home tonight
You can stay right here with me
Uhh, I ain't goin' nowhere
When you wake up I'm gon' be right there

Don't you worry 'bout a thing
I ain't worried about shit
You're here with me
Look, it's like I love my wife
But we goin' through things
And I ain't goin' home tonight, aight?

This situation's getting critical
(Uh-huh)
I watch so many tears fall
(Uh-huh)
I know she's not what you want

(Uh-huh)

So why you keep on holding on?

(Grrr)

When I'm right here

(What?)

All you need to do is call

(What?)

Don't be afraid

(Yeah)

'Cause she won't know at all

So you, you ain't gotta go home tonight

You can stay right here with me

Uhh, I ain't goin' nowhere

When you wake up I'm gon' be right there

Don't you worry 'bout a thing

I ain't worried about shit

You're here with me

Look, it's like I love my wife

But we goin' through things

And I ain't goin' home tonight, aight?

So you, you ain't gotta go home tonight

You can stay right here with me

Uhh, I ain't goin' nowhere

When you wake up I'm gon' be right there

Don't you worry 'bout a thing

I ain't worried about shit

You're here with me

Look, it's like I love my wife

But we goin' through things

And I ain't goin' home tonight, aight?
