Uh-oh! (GROWLS)
Don't tell me!(GROWLS)
Don't tell me it's another one of these PK joints!
Not another P. Killer joint!
OH MY MOTHERFUCKIN'GOD!
Uh, uh, uh

[CHORUS]

You better stop that
Before I come ridin' back (RIGHT BACK)
Right back to you (BACK TO YOU)
I know you wouldn't like that (OH NO)
We don't need no (WE DON'T NEED NO)
Extra offer see (WE DON'T NEED NO)
Wasn't really no friend of mine (WASN'T NO FRIEND)
Wasn't really no friend of mine (OF MINE)

[VERSE 1]

I'm part of the meek, started to speak, at age 10
Other kids were ridin' bikes, but that was the age when
I became a man, learned to stand, on my own
One dog, no bone, so young, so grown
Kid left home, shit got harder, kid got smarter
Did my part of the bad shit, I was the starter
Came from the heart of the hood, not lookin' too good
Fuckin' did what I could; ready to bitch in the wood
For all the shit you do, just when you think you sly
What goes around, comes around, the wrong damn
time
Maybe too late, but damn, I shoulda did that back then
Shoulda thought about that then, now come on out the
den
Slowly, Come on; keep your hands where I can see
Â'em
You don't know me, but we already got wifey tied up in
the BM
And know who set you up? That bitch with the crazy
ass!
Another shorty, another party of your shady past!

[CHORUS]

[VERSE 2]

God don't like ugly, all that love me, wanna plug me
But fuck me, it's about Â“Is this really what you want
G?Â”

The more dirt you do, the more dirt you get
More fake niggas that ride, that'll jerk your dick
The more you think your slick, but somebody sees
everything

Sometimes the thieves never hang
They remain, outlaws, wild dogs, outdoors
Strippin' cats about yours, it's all about claws
Beggin', scratchin', weighin' and matchin'
You stayin with the batch, and playin' with what you
catchin'

Do unto others, as you would have others do unto you,
that's under you

You must first separate from, then connect with
Fuckin' with that X shit (WHAT), Â‘cos this the best shit
(WHAT)

Motherfuck the rest bitch (WHAT), it's all about this
(WHAT)

Do what you do, and you get what you get!

[CHORUS]

[VERSE 3]

See what it boils down to, is that it all comes through
Remember what you do, cause it's gon' come true
A little harder than you did it, but that's the way it is
I aint know it be like this, but that's the way it is
Keep fuckin' with them kids, cause they all get grown
and shit

When they get they own, what's gon' been that you
shown Â‘em?

Fuck how to take a bone? How to rob a nigga of his
throne?

How to be left standin' alone?

Get a nigga gone, that aint right

Do it yourself, be a man and fight

Nigga earn your stripes, I damn sure earned mine

I already know your language, now try to learn mine

Dig Â‘til you find, and when you find you keep

I done spelled it out for you, but you niggas is still
asleep

6 feet deep, was just around the corner

Be surprised how many niggas, wanna, wanna!

[CHORUS X2]
