Why do good girls like bad guys?  
(What? What? What?)  
Hey, yo boo, why do, like bad guys?  
(Good girls)  
Knowing that bad guys tell mad lies?

(And why do)  
Dog niggaz  
(Want a honey with class?)  
(Sometimes you want more than just a honey with ass)

Uh, uh, hey yo, who would ever think that the two would  
go good?  
Midtown honey, nigga from the hood  
But knock on wood, I got this bitch  
(What?)

Excuse me, she don't like to be called a bitch, try not to  
lose me  
The rules we go by, where I'm from, she don't know  
When I say I'm going around the way, she won't go  
(Hell no)

C'mon baby, you aight with me  
Trying to get you, to spend the whole night with me  
(But I'm a good girl)  
Uhh, that's why I like her

Couldn't treat her like a hoodrat, didn't bite her  
Turn a church girl to a straight Ruff Ryder  
Take her to the Ramada make it an all nighter  
(Oh no, I only go to the Swiss hotel)

Fucking with me? I have you in the back of the Chevelle  
Like what, hitting it raw dogg in the butt  
(What?)  
You was good this morning but tonight you a slut

Why do, like bad guys?  
(Good girls)  
Knowing that bad guys tell mad lies?  
(And why do)

Dog niggaz  
(Want a honey with class?)  
(Sometimes you want more than just a honey with ass)

Hey, yo boo, why do, like bad guys?  
(Good girls)  
Knowing that bad guys tell mad lies?  
(Then why do)  
Dog niggaz  
(Want a honey with class?)  
(Sometimes you want more than just a honey with ass)

Hey, yo boo, I'm digging you 'cause you make me  
wanna do  
All them things I was taught I wasn't supposed to  
I'm secure, keep it tight while you on tour  
(You fucking wit a dog)

That's why I'm feeling you more  
Attraction to me, with yo' tactics  
Hit it like ahh, make me back flip  
(You been trying to act, rich)  
(That's why I taxed you and I just got married)

Hell, but I ain't even ask you  
(I'm just telling you 'cause nowadays, bitches be  
flipping)  
One more bitch, I'm skipping  
(Damn girl, stop tripping)

'Cause you be acting like  
(Listen, I ain't always talking money)  
(But I will keep you with a smile)  
(And walking funny, so what's it gon' be?)

Yo, what you mean?  
(What to do? You want the nigga with the slacks)  
(Or the jeans and the boots?)  
(You wanna be safe or be laced 'cause you can be  
replaced)  
Yeah, you can be erased  
(Don't get slapped, baby face)

Why do, like bad guys?  
(Good girls)  
Knowing that bad guys tell mad lies?  
(And why do)  
Dog niggaz  
(Want a honey with class?)  
(Sometimes you want more than just a honey with ass)

Man, I got shorty staying out late  
(Well, I keep him wit a cut and his nails stay clean)  
At least I get a nut and I got honey rebelling  
(And I stopped him from selling)

I be getting away with murder, right?  
(Shit, I ain't telling)  
Straight out the hood  
(Yeah, nigga you get mushy)

I got honey sucking dick  
(And I got you eating pussy)  
I can be good in a bad way  
(I can be bad in a good way)

Girl, you ain't the same dog  
(That's what them rats in the hood say)  
(Or would say, if you was around them more often)  
I got honey smoking weed  
(It be having me coughing)

She keep the dog on the leash  
(When we walk in the streets)  
And if y'all think it's sweet  
(Then the dog's off the leash)  
(Now I don't want no drama with no baby's mama)  
(I might be a good girl but I keeps the armor)  
Girl, you off the hook but at least now I know why  
Good girls like bad guys

Why do, like bad guys?  
(Good girls)  
Knowing that bad guys tell mad lies?  
(And why do)  
Dog niggaz  
(Want a honey with class?)  
(Sometimes you want more than just a honey with ass)
