Ugh DMX
Clueminati
Is y'all motherfuckers ready for the Ruff Ride
Grrr

When I speak I'm understood, my decision is wood
I see what I'm able to see, 'cuz my vision is good
It's like I see through the eyes of a wise old man
So I chill, knowin' I can kill this guy's whole fam

Sometimes better to be thought dumb and remain
silent
Than to open your mouth and remove all doubt 'cuz if it
came violent
See I'm gonna give it to you straight, so you don't ask
anymore
You don't really want what you asking me for

It's a war, and nigga, when it's on it's on
Doin' wrong till I'm gone and I ain't got long
(What)
But while I'm here, y'all niggaz gonna burn
Peep how I finished money and y'all niggaz gonna
learn
(What)

All fucking week you've been talking about that drive-
by
And ain't did nothing but drive by
Listen shorty I'm telling you this for your own good
Everybody is the man in they own hood, for real

Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone
Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone

Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone
Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone

I always keep my enemies the closest
Always make sure I know where the toast is
Always cover my tracks when I creep
Always get away when I'm done to relax, shit is deep

I always know the rules of the game before I play
And always keep enough dough to know I'm good for
the day
I always walk my dogs off the leash and
Always get my thoughts off the streets and

Always remember lend a hand then borrow
And always no matter what plan for tomorrow
I always pay my respects to the dead
I always take at least one blunt to the head

Now always know which bitches is gonna end up
getting fucked
And always know which niggas is gonna end up getting
stuck
I'm always strapped, I've always packed
I've always rapped, it's always that
Always black

Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone
Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone

Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone
Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone

Never try to knock off rock on the block that ain't yours
Never take a man's life 'cuz you hate yours
Never become so involved with something that it blinds
you
Never forget where you from someone will remind you

Never take for granted what's been given as a gift
And never sleep on a nigga, less that nigga stiff
Never turn your back on a nigga you don't trust
Never turn your gat on a nigga and don't bust

Never expect to get away with the same shit, more than
twice
Never forget you could get it too for a price
Never bring it to a nigga, if you scared to die
Never gonna do it nigga, if you scared to try

Never gonna be another day it gets dark, nigga
Never get it fucked up, that shit here, for the heart
nigga
Never say never, 'cuz I never thought this clever
thought never
Ever caught better, getting cheddar, with three letters,
DMX

Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone
Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone

Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone
Yeah, 'cuz if it's on it's on
Bitch niggas keep frontin' then your ass is gone
